

# Can You Find All Of The Invasive Species?

## Find these invasive species!

## Things You Can Do To Prevent The Spread of Invasive Species!

1. Clean your gear and clothing!
2. Don't release pets into the wild!
3. Use local firewood!

For more information contact Dr. Shikha Singh at [shikha.singh@macd.org](mailto:shikha.singh@macd.org) or by phone at (517) 395-2089.

**Invasive species are not from around here and whose introduction causes harm, or is likely to cause harm to the environment, economy, or human health.**
